

ATTENTION PRESIDENTIAL CANDIDATES!

While President Bush has articulated a two state vision, he has done little to help this become a reality. In fact, after almost eight years of George W. Bush's presidency:

- > The Middle East is less stable.
- > Israel is less secure.
- > America has less credibility and influence in the region.

**TALK IS CHEAP!

LEADERSHIP THEY CAN BELIEVE IN.**

*IT'S TIME for a principled, determined American peacemaking policy
in the Middle East. IT'S TIME to get the job done.*
