

JEWISH TERRORISTS WANT THEM DEAD

Leaflets found outside the Jerusalem home of Professor Zeev Sternhell last month offered a bounty of a million shekels "to anyone who will kill a member of Peace Now," the Israeli organization that documents West Bank settlement expansion. Jewish extremists set off a bomb on Sternhell's doorstep, trying to make the Holocaust survivor and veteran Peace Now activist the first victim of their murderous campaign.

SAY NO TO TERRORISM; SUPPORT PEACE!
