

HELP PUSH FOR PEACE, NOW!

“If the day comes when the two-state solution collapses, and we face a South African-style struggle for equal voting rights, then, as soon as that happens, the State of Israel is finished.”

Israeli Prime Minister Ehud Olmert, November 28, 2007

As Israel and the Palestinians renew final status negotiations, the stakes could not be higher. Israel's continued rule over the Palestinians threatens its future as a Jewish and democratic state. The continuing conflict also endangers Israelis and jeopardizes American national security interests.

It is time to support negotiations.
